

Website Accessibility Statement

Partner Colorado is committed to accessibility and digital inclusion.

Our goal is to conform with the Web Content Accessibility Guidelines (WCAG) 2.0. Level AA Success Criteria as published by the Web Accessibility Initiative (WAI) of the World Wide Web Consortium (W3C) through automatic and manual testing, and subsequent remediation and enhancements for optimal accessibility and usability for all users.

In our effort to provide a fully accessible and optimized user experience for all site visitors, Partner Colorado designers and developers are constantly making changes and improvements in order to maintain full conformity with WCAG 2.0 Level AA standards. Our goal is to provide excellent user experience, regardless of the assistive technology being used to access this site or the specific abilities of those individuals seeking access to this site.

If you encounter issues with any page or feature on this website, please contact us to submit your feedback and allow us to assist you:
